INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Rockdale Municipal Development District

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Rockdale Municipal Development District as of and for the year ended September 30, 2020, and the related notes to the financial statements, which collectively comprise the Rockdale Municipal Development District's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Rockdale Municipal Development District, as of September 30, 2020, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information on pages 3-5 and 17 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Rockdale Municipal Development District's basic financial statements.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 17, 2021, on our consideration of the Rockdale Municipal Development District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Rockdale Municipal Development District's internal control over financial reporting and compliance.

Management's Discussion and Analysis

As management we offer readers of the Rockdale Municipal Development District's financial statements this narrative overview and analysis of the financial activities of the Corporation for the fiscal year ended September 30, 2020. Please read it in conjunction with the financial statements and accompanying notes.

Overview of the Financial Statements

The annual financial report consists of two parts: Management's Discussion and Analysis (this section) and the basic financial statements. The Corporation is a self supporting entity and uses a governmental fund to report operations.

The governmental fund statements tell how general services were financed in the short term as well as what remains for future spending.

The government-wide financial statements provide both long-term and short-term information about the Corporation's overall financial status. The government-wide statements are presented in a manner similar to a private business, such as a real estate development, investment banking, commercial lending, construction management and private consulting. The statement of net position includes all the Corporation's assets and liabilities. All of the current year's revenues and expenses are accounted for in the statement of activities regardless of when cash is received or paid.

Financial Highlights

- Sales tax revenues increased by \$43,187 (11%) during the fiscal year ended September 30, 2020.
- Total expenditures increased by \$40,832 (11%) during the fiscal year ended September 30, 2020
- Net Position increased by \$42,362 (8%) during the fiscal year ended September 30, 2020.
- Long term Debt decreased by \$70,975 (11%) during the fiscal year ended September 30, 2020.

ROCKDALE MUNICIPAL DEVELOPMENT DISTRICT
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2020

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTANT POLICIES

The Rockdale Municipal Development District “the District” is a political subdivision of the State of Texas and the City of Rockdale as its duly constituted authority and instrumentality in accordance with Chapter 377 of the Texas Local Government Code. The District is considered a component unit of the City of Rockdale, Texas and is governed by a seven member board of directors which are appointed by the City of Rockdale for staggered two-year terms. The Board appointed an Executive Director that answers to the board and is responsible for directing all activities of the District.

The District prepares its basic financial statements in conformity with generally accepted accounting principles (GAAP) promulgated by the Government Auditing Standards Board (GASB) and other authoritative sources. The District has implemented the financial reporting standards of GASB Statements # 33 and # 61. The District has also implemented GASB Statement # 62 Codification of Accounting and Financial Reporting Guidance contained in Pre November 30, 1989 FASB and AICPA pronouncements, which incorporates certain Financial Accounting Standards Board (FASB) and American Institute of Certified Public Accountants (AICPA) pronouncements issued prior to December 1, 1989, into the GASB Codification as long as they do not conflict or contradict GASB literature.

A. Reporting Entity

The Rockdale Municipal Development District (the MDD) was created by voters in May, 2010 and began levying a ½ percent sales tax, starting October 1, 2010 on all items in the District that are subject to the general sales tax. The MDD jurisdiction includes the City of Rockdale and its extra-territorial jurisdiction (that area that extends outward from the city limits to one mile).

It is the mission of the MDD to aid the City of Rockdale and interested private or public entities in making the community a better place to live, work and do business. In so doing, the MDD may help and finance any permissible project as defined in Chapter 377 of the Texas Local Government Code and that benefits, strengthens, and diversifies the economic base of Rockdale.

B. Measurement Focus, Basis of Accounting and Financial Statement Presentation

The Corporation uses only governmental funds to report their operations and are engaged in a single program. For this reason, the Corporation has combined their fund financial statements and their government-wide financial statements by providing a columnar (line-by-line) reconciliation on the face of the financial statements.

Government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows.

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, revenues are considered to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred as under accrual accounting. However debt service expenditures are recorded only when payment is due.

The following governmental fund is reported:

The *general fund* is the primary operating. It accounts for all financial resources.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

C. Capital Assets

Capital assets, which include land, buildings, furniture and equipment and infrastructure assets are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. Capital assets are defined by the Corporation as assets with an initial, individual cost of more than \$1,000 and an estimated useful life in excess of two years. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair market value at the date of donation.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed.

Buildings, furniture and equipment of the Corporation are depreciated using the straight line method over the following estimated useful lives:

<u>ASSETS</u>	<u>YEARS</u>
Buildings and improvements	20-50
Computers, furniture and equipment	5-10

D. Budgetary Data

The Board adopts an “appropriated budget” for the General Fund, The Corporation is required to present the adopted and final amended budgeted revenues and expenditures. The Corporation compares the final amended budget to actual revenues and expenditures.

The following procedures are followed in establishing the budgetary data reflected in the general-purpose financial statements:

1. Prior to September 30, the Corporation Board of Directors prepares a budget for the next succeeding fiscal year beginning October 1. The operating budget includes proposed expenditures and the means of financing them.
2. A meeting of the Board is then called for the purpose of adopting the proposed budget.
3. Prior to September 30, the budget is legally enacted through passage of a resolution by the Rockdale Municipal Development District, Texas. Once a budget is approved, it can only be amended at the function and fund level by approval of a majority of the members of the Board. Amendments are presented to the Board at its regular meetings. As required by law, such amendments are made before the fact, are reflected in the official minutes of the Board, and are not made after fiscal year end. The Corporation had no budget amendments during the year.
4. Budgeted amounts are as amended by the Board and City Council. All budget appropriations lapse at year end.

E. Subsequent Events

Management has evaluated subsequent events through November 17, 2021, the date the financial statements were available to be issued.

ROCKDALE ECONOMIC DEVELOPMENT CORPORATION
 NOTES TO THE FINANCIAL STATEMENTS – CONTINUED
 September 30, 2020

NOTE 2 – DEPOSITS AND INVESTMENTS – CONTINUED

NOTE 2 – DEPOSITS AND INVESTMENTS

The Corporation is authorized to invest in securities that are listed in Texas House Bill 2459, *Public Funds Investment Act of 1995*.

The Corporation's deposits were fully insured or collateralized at September 30. At year end, the carrying amount of deposits in the Corporation operating account was \$319,014.

All investments held at September 30, are insured or registered, or held by the Corporation or its agent in the Corporation's name (Category 1).

The Corporation's investments as of September 30, are:

	CARRY AMOUNT	MARKET VALUE
Classic Bank Special	\$ 52,910	\$ 52,910
Classic Bank	266,104	266,104
	\$ 319,014	\$ 319,014

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value. The Corporation concentrates its investments on short-term investments in order to limit market risk caused by changes in interest rates. The maximum allowed maturity of an investment by the Corporation is two years.

Custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, a government will not be able to recover its deposits. The Corporation's depository fully collateralizes the Corporation's deposits as outlined above.

NOTE 3 – CAPITAL ASSET ACTIVITY

Retirement Benefits Plan

The District does not maintain a formal retirement benefits plan. Rather, eligible employees are paid retirement benefits quarterly with the option to invest in individual plans set up by the individual. The annual rates published by the Texas Municipal Retirement System (TMRS) are utilized in calculating the amount of benefit as follows: Quarterly wages times the TMRS rate in effect for that time period. The TMRS rate for 2019 and 2020 calendar years was 9.65% and 9.65% respectively. The District has paid \$9,386 for retirement benefits for the year ended September 30, 2020.

Health Care Coverage

During the year ended September 30, 2020, employees of the District were covered by a health insurance plan (the Plan). The District paid premiums of \$18,201 to the Plan. Employees, at their option, authorized payroll withholding to pay premiums for dependents. All premiums were paid to a licensed insurer. The Plan was authorized by Article 3.51-2, Texas Insurance Code and was documented by contractual agreement. The contract between the District and the licensed insurer is renewable October 1, and terms of coverage and premium costs are included in the contractual provisions.

NOTE 5 – CONCENTRATION OF RISK

The Corporation is dependent on sales taxes collected in the Rockdale Municipal Development District, Texas. Therefore, the Corporation is subject to any significant changes in the economic environment to the City. No litigation that would have a material effect on the District was noted by Counsel at the completion of this audit.

NOTE 6 – SUBSEQUENT EVENTS

No subsequent events that would have a material effect on the financial statements were noted as of November 17, 2021.

CERTIFIED PUBLIC ACCOUNTANT

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors
Rockdale Municipal Development District, TX

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Rockdale Municipal Development District, TX, as of and for the year ended September 30, 2020, and the related notes to the financial statements, which collectively comprise the Rockdale Municipal Development District, TX's basic financial statements, and have issued our report thereon dated November 17, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Rockdale Municipal Development District, TX's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Rockdale Municipal Development District, TX's internal control. Accordingly, we do not express an opinion on the effectiveness of the Rockdale Municipal Development District, TX's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Rockdale Municipal Development District, TX's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
