

FAÇADE IMPROVEMENT INCENTIVE PROGRAM

Administered by:

Rockdale Municipal Development District

Revised August 2022

Summary and Program Description

The purpose of the Façade Improvement Incentive Program is to provide an incentive to business and/or property owners to encourage renovation and rehabilitation of the exterior of buildings in the City of Rockdale and its Extraterritorial Jurisdiction (ETJ). Funding for the program is provided by the Rockdale Municipal Development District (MDD). This program aims to improve the aesthetics within the City of Rockdale and its ETJ as attractive building façades positively impact the marketability and perception of the city. Thus, the Façade Improvement Program consists of a 50% project match up to \$10,000.00 for approved improvements. Incentives will be awarded for facade improvements that restore, rehabilitate, enhance, or beautify a structure.

The program will be administered by the Rockdale MDD. An application form is to be submitted with a description of the work to be completed. All application projects will be approved by the MDD Board.

Program Goals

1. Revitalize and improve the appearance of Rockdale buildings to positively impact the aesthetics, marketability, and perception of the City of Rockdale and its ETJ
2. Serve as a catalyst for continued private sector investment through visible improvements
3. Offer the private sector an incentive program to invest in Rockdale buildings

Eligible Applicants

1. Property owners and tenant/business owners of properties located in a business-zoned property (zoning classification commercial or industrial) within the City of Rockdale and its ETJ area are eligible to participate in the program.

4. Retroactive applications for improvement work that has already been completed will not be accepted.

6. Further, the Applicant must certify that there are no current code enforcement actions pending against the property that would not be mitigated by the project.

Eligible Costs

The Façade Improvement Program is a matching funds program, which means that matching funds will be provided by the MDD for qualified expenditures for 50% of the total project. The maximum incentive amount under the Program is \$10,000.00 for approved improvements per project. Incentive funds are disbursed on a reimbursement basis only.
